SUMMARY OF INFORMATION

The target is a Soviet facility in the vicinity of blue water. It is located along a coastal area. It is closely allied with the seat of authority in Moscow. It deals with plans, fuel, aircraft, roads, buildings and transportation. It is city related. The predominant color associated with the site is blue; this has a naval connotation. The target area deals principally with ships.

Results of search are at ENCLOSURE 1.

The map of the Soviet Union was separated and dowsed (by the viewer) in three separate sections.
